Good day all.

UCEC is a registered NPO working with the less fortunate and homeless citizen's in the city center of Durban.

The COVID 19 epidemic has negatively impacted the lives of millions of fellow citizens.... our people simply are starving out there, many of whom don't even have shelter let alone food. We have therefore teamed up with a great bunch of volunteers, all for one serious and desperate purpose, **FEEDING PEOPLE**..... A daily hot meal to everyone/anyone who needs it.

The feeding programme was successfully launched today, Wednesday 29th April 2020 and we were able to feed 1000 people from the St Johns Parish in Sydenham. We are eternally grateful to St Johns for the free use of their full site for as long as this situation demands.

We hope to grow the number of people fed and possibly the areas covered as well. The meals are very basic, for the obvious reasons of cost, yet tasty and satisfying.

As an NPO, we operate purely on the goodwill of others and today..... **We need your HELP** with any of the following please:
